CIVIL ENGINEERING DEPARTMENT

News Letter 2014-15

Principal's Message

**Mr. M.A. Chougule
Principal**

“Live as if you were to die tomorrow. Learn as if you were to live forever.”

Mahatma Gandhi

I have pleasure to see good developments in the Department of Civil Engineering during recent months. Every Civil Engineer can call him as a creative artist as he builds beautiful structures, as we dream, using basic materials like brick, stone, sand, cement, steel and water.

Hence as Civil Engineering students you have to learn the subject in detail without any doubts and execute works with total care to march towards success in your profession.

With my best wishes to my beloved students.

Vice Principal's Message

**Mr. J.M. Jaketia
Vice Principal**

“Success is when your signature changes to Autograph.”

Dr. A.P.J. Abdul

I am happy to note that the Department of Civil Engineering is releasing its Annual Newsletter enumerating the various activities and achievements of their faculty and students. It is clear that the department is striving hard to make a mark in this Institution by way of its academic growth.

I congratulate all the students who have put their mite in bringing forth this edition consolidating the annual report of their department. I also congratulate all the faculty members and the HOD for motivating their students towards this fulfillment.

I wish each one of them in the Department success in all their endeavors.

Head of the Department

Mr. N. B. Pawar

The Department of Civil Engineering is pleased to publish its 2014-15 News Letter which summarizes the dedicated work of its faculty and students. Our success and accomplishments continued to move the department forward to help and prepare students for the 21st century. This letter will highlight the efforts and special achievements of our staff, students and department as a whole. It also includes the various activities conducted by the civil engineering department for the year 2014-15.
