

A photograph of a rocket launch. The rocket is a tall, slender, white and black structure, pointing vertically upwards. At the base, a large, bright orange and yellow plume of fire and white smoke billows out, indicating the rocket is ascending. The background is a clear blue sky with scattered white clouds. The overall scene is dynamic and energetic.

## TRANSFORMATION...a News Letter 2K16

Prof. Margur L.S.,  
HOD EJ

It gives me immense pleasure to publish news letter 'Transformation'. Its a mirror of our departmental activities throughout the year. I congratulate the students and staff members for the contribution in the development of department. I am thankful to Principal and Vice-Principal for their support and guidance.

### Vision

To provide excellent quality education in the field of Electronics and telecommunication engineering to create professionals for meeting the demands of industry, business and society.

### Mission

- M1:- To equip students with strong foundation of knowledge, skills, attitude and team spirit required for a professional.
- M2:- To prepare students for a bright career, entrepreneurship in the field of Electronics Engineering.
- • M3:- To inculcate responsibility towards Environment and society.
