**REPORT ON E-PHLOX – 2K25**

It gives me immense pleasure to present a report on E-phlox 2k23 in front of you. E-phlox is launched with an intention to conduct various events for overall development of students, improve their technical skill and aspects of each student and to make them aware of the competitive world outside.

Department of Electronics and Telecommunication Engineering has organized a State level technical Competition program on 18<sup>th</sup> March 2023.

Under this State Level Technical Competition, we have arranged, an event “Circuit cracker”.

➤ **Name of Event: Circuit Cracker**

In this event more than 20 students have participated from different colleges of Maharashtra to give the best of their knowledge and test their skills by participating in this event.

The Event was scheduled for one day and various competitions were performed smoothly in the college. On 08<sup>th</sup> March 2025 E-Phlox was inaugurated in the hands of **Mr.S.R.Bagban** (H.O.D of E&TC Dept AGPPI, Solapur).

On the evening of 08<sup>th</sup> March 2025 valedictory ceremony was carried out. The prizes given away from the hands of the chief guest **Dr. Anand Prakash** (Associate professor of NICMAR University,Pune) and in the presence of management members. The assessment was done by the External judge **Mrs. S.S.Metagar**(Assistant Professor of AGPIT, Solapur).

Throughout a day students and participants have enjoyed the events as well as actively participated in events which gave boost to their knowledge.

Cash prize of worth Rs 4500/- has been awarded with memento and certificates were issued to all participants. Faculties who had helped to make this event successful are
