After a long break of almost 2 years due to COVID 19 pandemic, the college organized one of the most awaited events of Annual sports on the dates of 9th, 10th and 11th February 2023. Sports have been always viewed as a way to remain healthy and fit. But it has far reaching benefits beyond this. It has got both physical and physiological benefits. Among the physiological benefits is mental health. Academics is related to the ability of the brain to capture, store and process information. Sports impacts on education are limitless. Being a captain requires skills on how to become a good leader. Sports also helps in reducing stress level. With the help of sports one learns how to talk to other teammates, manage team emotions, take decisions for the team, developing good faith among team members, maintaining the interests of the team members, and so on. These skills together makes one a successful leader in future. Therefore students at A. G. Patil Polytechnic Institute are always encouraged to participate in many sports events including interclass, interdiploma and other level sports.

This event was inaugurated by Dr. V. V. Potdar, Vice Principal, A. G. Patil Institute of Technology, Solapur. Dr. M. A. Chougule, Campus Director and Principal, A. G. Patil Polytechnic Institute, Solapur, Mr. S. K. Mohite, Vice Principal, AGPPI and Head of Mechanical Department, All the other Heads of department, Faculty members and students were also present during this inauguration.

The following indoor and outdoor events have been organized for the inter-class sports tournaments for students:

- Cricket
- Tug of War

- Badminton
- Chess
- Table Tennis

There was enthusiastic participation not only in terms of the students who showed zeal and zest in playing the sport, but the crowds for each sport grew as the finals approached.

Apart from physical health college also focuses to develop perspective, memory, planning skills etc. So to incorporate these skills we organized chess event also in this annual sports.

This event started on 9th February 2023 with cricket. It was later followed by Tug of war and chess on the same day. On 10th February same outdoor games were started in the morning followed by indoor games of badminton and table tennis in the afternoon. 11th February was the day of finals. Finally on 11th February 2023, Annual sports week came to an end leaving thrilling and beautiful memories in the hearts of each and every one present there.
